

Second Career Can Give You a Fresh Start

Laid off? Looking for a new career? The **Second Career Program** is an initiative of the Province of Ontario to fund training for people who are currently on Employment Insurance (EI).

We are proud to announce there are several students currently enrolled in the Film Arts & Production Program who are successful applicants to the Second Career Program.

That means their tuition is completely funded by the Province of Ontario!

Second Career starts with a visit to an Employment Ontario assessment centre where a counsellor will talk to you about your goals, and the kind of help you need. If Second Career is the right choice, the counsellor will help you prepare a training plan and apply for Second Career.

Visit the [Ministry of Training, Colleges & Universities website](#) for more information to see if you could qualify for Second Career.
